FALL 2026

FALL 2026

This fall is a vision of balance - softness and strength, motion and grounding, lightness and depth. It begins with a whisper of summer and unfolds into the full embrace of fall.

“Easing Into Fall” unveils a gentle departure from summer’s lightness. The Minimalist Ribbon capsule features delicate ties, a subtle gesture of intentional softness. Patterned Bow introduces mixed prints that add movement and a playful twist.

The On The Go edit reflects modern momentum through the Elevated Minimalist capsule, a timeless, polished and composed presence, alongside Young & Trendy, defined by bolder proportions and cool, expressive energy.

The Fall 2026 campaign channels a rogue renaissance spirit where street-led attitude meets archival influence through a modern, rebellious lens. Rooted in hybrid styling and adaptable functionality, the collection embraces season-worn textures, modular silhouettes, and a raw individuality. At the center is the hero Ginevra tote, designed to bring character and confidence to everyday fall styling, paired with coordinating footwear in a rich, dark palette, the collection explores tonal depth and tactile contrast.

Earth-Brushed anchors the season with Earthy Suedes, grounded in tactile richness, autumnal tones, and strong boot statements. The Wild Instincts curation punctuates the palette with controlled flashes of animal print, injecting instinctive edge. Balancing statement appeal with wearable sophistication, the collection channels confidence, and a fearless approach to styling.

ON THE GO - ELEVATED MINIMALIST

The ELEVATED MINIMALIST capsule redefines modern workwear through refined silhouettes and understated sophistication. Anchored by the Ginevra bag, the edit balances timeless structure with contemporary elegance, featuring softly constructed totes designed to transition effortlessly from office hours to after-work engagements. Paired with sleek slingback pumps and polished loafers, the capsule delivers a confident yet versatile wardrobe for the modern minimalist, elevating everyday dressing with effortless style.
