SPRING-SUMMER 26

The SS26 collection takes you on a journey — from the elegance of ivory to the depth of burgundy, from the architectural strength of black to the dreamlike allure of lavender tulle. With fluid silhouettes and sculptural details, it builds a bridge between city and nature, past and future. Light yet statement-making fabrics, pieces that move effortlessly from day to night, and distinctive details that turn every step into a stage make summer unforgettable. Minimal yet extraordinary, NU's aesthetic and sharp tailoring transform every look into a work of art in its own right, crafted with three-dimensional florals, laser-cut details, and layered textures.
