SILVER & ELEGANT Selected for the Official LFW Designer Profile, London Fashion Week September 2026

London, September 2026

SILVER & ELEGANT, an independent London-based jewellery studio, has been selected for the Official LFW Designer Profile for London Fashion Week September 2026, run by the British Fashion Council.

Founded in January 2025, the studio creates sculptural jewellery in sterling silver and bronze with 22k gold finishing. Each piece is hand-finished by a single master artisan within a historic atelier in Istanbul, reflecting the studio's Future Heirlooms philosophy: permanent, sculptural pieces designed to be passed down through generations, rather than produced for a single season.

The studio was previously named Official Jewellery Partner to Paul Costelloe at London Fashion Week AW26, placing its pieces on an official runway for the first time. It is also a Business Innovation finalist at the SME Hertfordshire Business Awards.

SILVER & ELEGANT is sold through Wolf & Badger and featured on Not Just A Label, and its work has appeared in KALTBLUT Magazine and Flanelle Magazine.

For London Fashion Week, SILVER & ELEGANT presents its current collection through curated lookbook imagery, supported by video content from its Istanbul atelier and written reflections on its design process.

About SILVER & ELEGANT

SILVER & ELEGANT is an independent, London-based jewellery studio founded in January 2025. Working in sterling silver, bronze, and gold, the studio creates permanent, sculptural pieces under its Future Heirlooms philosophy, each hand-finished by a single master artisan within a historic atelier in Istanbul. The studio is founded and led by Esen Tunali Sari, FRSA, a Fellow of the Royal Society of Arts, whose personal journey across Bulgaria,

Turkey, the Netherlands, and the United Kingdom informs the studio's focus on permanence, structure, and slow, considered craft. More at silverandelephant.co.
